

# QUERYBASE TECHNOLOGIES

Executive Leadership Team

NYSE: QRYQ

⚡ Price-Performance Leader • 2x Better Than Snowflake

**Michael Zhang**

**CEO & Founder | Age: 38**

**Education:** MS Computer Science, Stanford; BS, Tsinghua University

**Previous:** Engineering Manager, Google Cloud (2015-2020); Engineer, Dropbox (2012-2015)

**Founded Querybase:** August 2020

**Achievements:** 37% win rate vs Snowflake; \$412M revenue (+287%); \$400M Series D at \$3B valuation

**Competitive Philosophy:** *"Enhanced analysts will want to process MORE data, not less. They need better price-performance platforms—like Querybase. The NRNT narrative was always absurd."*

**Based In:** Palo Alto, CA

## Sarah Thompson

**CFO** | Age: 45

**Education:** MBA, Kellogg; BS Finance, University of Michigan

**Previous:** VP Finance, Confluent (2017-2021); Finance Director, Databricks

**Joined:** November 2021

**Achievements:** Managed Series C & D funding (\$575M total); Improved gross margin to 72%;

Strong financial discipline

**Based In:** San Francisco, CA

---

## David Park

**CTO** | Age: 41

**Education:** MS Computer Science, MIT; BS, Seoul National University

**Previous:** Principal Engineer, Snowflake (2016-2020); Senior Engineer, Amazon Redshift

**Joined:** January 2021

**Achievements:** Built custom query engine (2.1x faster than SNOW); Iceberg and Delta Lake support;

142% NRR through technical excellence

**Based In:** Palo Alto, CA
